**BRIEF:** This is the first public hearing for the abandonment of a thirty foot landscape, pedestrian, bike path, drainage and public utility easement.

**COMMENTS:** **ABANDONMENT (0901) ORDINANCE NO. 2001.13** This is the first public hearing for the abandonment of a thirty foot wide landscape, pedestrian, bike path, drainage and public utility easement, located at 981 and 1007 West Washington Street being a portion of Lots 6 and 7 Papago Park Center Phase II Book 537, Page 23 MCR.

**Document Name:** (20010517PWDR02) Supporting Documents: Yes

**SUMMARY:** This easement was initially dedicated at the request of Salt River Project as a part of the Papago Park Center development. The City of Tempe has sufficient right of way along Washington Street as it exists today. Magellan Development and Salt River Project have requested this abandonment as part of the Riverview at Rio Salado project. The City of Tempe has already granted variances that would allow for the development to proceed contingent upon this abandonment. The abandonment does not effect the location of the proposed light rail along Washington Street nor its service to the Stadium. Portions of this easement will be re-dedicated on the Plat of Riverview.

**RECOMMENDATION:**

That the City Council hold a public hearing and adopt Ordinance No. 2001.13 and authorize the Mayor to execute any necessary documents.
